Re: Notice of Oral Ex Parte Communication
ET Docket No. 04-37

Dear Ms. Dortch:

This is to notify you, pursuant to Section 1.1206 of the Commission's Rules that Steve Greene on behalf of Amerion and myself on behalf of the United Power Line Council (UPLC), met with Bruce Franca, Alan Stillwell, Alan Scrim, Bruce Romano and Karen Rackley of the Office of Engineering and Technology on July 20, 2004 to discuss issues related to the above-referenced proceeding.

During the meeting, Amerion reported on its field deployments and the UPLC discussed issues with respect to comments filed by the NTIA. The substance of the discussions was consistent with the comments of the UPLC and Amerion as filed on the record in this proceeding.

If there are any questions concerning this matter, please contact the undersigned directly.

Very truly yours,

Brett Kilbourne
